MEMORANDUM FOR: Director of Training

SUBJECT: Paper on Counter-Guerrilla Operations

1. You and your staff may find of interest the attached paper on counter-guerrilla operations which has been prepared by Mr. Rice of the Policy Planning Council of the Department of State. I am not exactly sure as to for whom the paper was intended - it does make certain conclusions and recommendations but with no indication as to where any action would originate.

25X1A9a 2. Copies of the paper have also been furnished to General [REDACTED]'s office. Both his staff and mine all feel that after a quick review of the paper, it is a well written one but largely a rehash of things that have been said over and over again many times in the past and does not add anything particularly new to an approach to the problem.
